

*International Conference on Membrane Science & Technology*  
**MST2012: Sustainable Energy and Environment**  
22-23 August 2012, Bangkok, THAILAND

15 May 2012

**Dear Erna Yuliwati**

Thank you for your abstract submission entitled "**Fouling study in submerged PVDF ultrafiltration for refinery produced wastewater treatment: Effect of suspended solids concentration and aeration**" at the 10<sup>th</sup> International Conference on Membrane Science and Technology 2012: Membrane for Sustainable Energy. The Conference will be held on **22-24 August 2012** at Amari Atrium, Bangkok, Thailand.

I am pleased to inform you that your abstract is accepted for oral presentation at the Conference and please proceed the mission as follows;

1. If you wish to publish your paper in the proceeding, please use the template at <http://mst2012.com/papersubmission/>. Making full paper as format designated, and submits to MST2012 within 15 June 2012.
2. Filling the presentation form-Biodata and mail to MST2012 within 15 June 2012.
3. Register for speaker and speaker document with registration fee paid within 31 May 2012.

If you have any questions or concerns, please contact us as soon as possible. Thanks again for your valuable contribution. We look forward to meeting you at the Conference.

Sincerely yours

(Assoc. Prof. Dr. Wirote Youravong)

Deputy Director, Membrane Science and Technology Research Center,  
Organizing Committee MST2012,  
Prince of Songkla University,  
Hat-Yai, Songkhla, 90112, Thailand.
