

Ways To Improve Your English Vocabulary

“It always seems impossible until it’s done”

Reasons To Improve Vocabulary?

- Regardless of where you want to go in life, good vocabulary is just one of the skills that will help you get there.
- Acquiring a large vocabulary can benefit you in school, at work, and socially.
- Vocabulary size works to estimate not only your skill in reading, writing and speaking, but also your general knowledge of science and history.
- It will also enable you to understand other's ideas better and to have the satisfaction of getting your thoughts and ideas across more effectively.
- By improving your ability to communicate your thoughts and feelings, you can improve your self-esteem and relationships.

How To Improve Vocabulary?

- The best way to enhance vocabulary is through reading.
- There are many other ways as well to improve your vocabulary.
- You can involve into various activities that can help you **improve english vocabulary**.
- Learn Antonyms and Synonyms:
 - A synonym is a word that has a similar meaning.
 - An antonym is a word that has the opposite meaning.
- It is an interesting fact that if we want to speak a language fluently, we only need to know an average of 2,500 passive and 2,000 active word-families to handle most types of our conversations.

- Get a Thesaurus:
 - A thesaurus will show you other words you can use that have the same meaning in your conversations and work.
 - You can use an online thesaurus which makes finding a synonym easier than ever.
- Visualize:
 - A picture is worth a thousand words
 - For longer words, try splitting the word down into parts, each part having a cute cartoon attached to it.
- Read more books:
 - When you have become more aware of words, reading is the next important step to increasing your knowledge of words, because that is how you will find most of the words you should be learning.
